## LAUNCH OF THE PLANTERS ACADEMY

"The Planters Academy has been a unique opportunity for me to gain wisdom, thrash out all my questions, and be equipped for church planting. It is incredibly humbling and empowering to be part of a team who are dedicated to helping my family step out in faith to plant for God's glory. Nowhere else do potential planters get this sort of team support, equipping, and encouragement." - Steve Brown (Planters Academy Resident)

## GOSPEL GROWTH

"I'm one of God's children now. I am now confident in my value and my purpose in life and my beliefs. Whenever I'm lost, or whenever I don't know, I know that He knows. I know that there's a path for me. I know that I'm safe in God, and to me, that's all that matters." - Brooke Finkel (Baptised 2017)

## MANY ROOMS

## COMPASSION

"The one thing I like about Many Rooms is that it's a proper meal. What Many Rooms gives to us is company, someone to talk to. It's overwhelming as they're on your level, they don't judge you for what's happened to you." - John (Many Rooms Participant)
